THE ULTIMATE ADVENTURE

Let your journey begin with a **1 hour jet boat ride** like no others on Thunder Jet Queenstown. Hold on tight as your driver expertly navigates through **shallow waters past towering cliffs**, taking you the **greatest distance of 47kms** across Lake Wakatipu and down the **Kawarau or Shotover River**. Entering areas of **untouched scenery** only accessible by jet boat. With speeds of up to **90kms per hour and world famous 360° spins**, only Thunder Jet offers music on board to heighten that extraordinary adrenaline feeling. The Thunder Jet Experience is the **"PERFECT MIX OF MOTHER NATURE AND MACHINE"**

SAFETY

The safety and enjoyment of your delegates is always paramount to Thunder Jet.

All Thunder Jet drivers have over 10 years' jet boat experience and hold their LLO (Local Launch Operators) or SRL (Skipper Restricted Licence), exceeding the requirements of Maritime New Zealand.

Thunder Jet has an impeccable safety record. Our luxury fleet of new twin Hamilton Jet engine MacKraft jet boats are equipped with the latest in safety and state-of-the-art technology, with built in floatation tanks and self training decks setting the standard amongst others.

Our expert and friendly team of local drivers, guides have an extensive knowledge of Queenstown.

They will educate guests on the history and surrounding geography of the area and explain how jet boats work. Your clients will not only come away with a big adrenaline-induced smile, they'll gain valued and interesting local information on their Thunder Jet journey.
