

## CONFERENCE AND INCENTIVES

---

**Airport arrivals or Departures** - Transferred by coach from airport to departure location (see picture) Clients are then taken for an exhilarating spin of Queenstown latest state of the art jet boats across up to three waterways, your choice of distance and timings. Clients are then taken back to hotel destination. This can be hosted by Thunder Jet or run by a DMC.

**Destination Transfers** - There is a number of suitable locations for Thunder Jet to drop off your conference delegates, this can be for a remote bubbles on an exclusive part of the river shores or on a small island, or to meet your next adventure activity. Timings and departure points are flexible. This can be hosted by Thunder Jet or run by a DMC

**Team Building** - Jet boating offers a great asset to team building events, whether you are in a race to finish with your team or a surprise end to your busy day, timings and departure locations are flexible. This can be hosted by Thunder Jet or run by DMC

**Conference Branding** - We are able to offer delegate specials for those that have optional activities. There is a wide range of conference branding available, from something as large as a welcome banner on Kawarau Bridge to optional merchandise. Thunder Jet or a DMC can arrange this.
